all other terms that relate to Cap-It Certificates or their Conditions, shall be construed as referring to the holder of each Cap-It Certificate separately and not of all Cap-It Certificates unless expressly so provided, so that each Certificate shall be constituted by a separate trust pursuant to sub-Clause 2.3 and that, unless expressly provided, events affecting one Cap-It Certificate shall not affect any other.

Payments made to such Certificate Holder in accordance with the Conditions will be valid and effective to satisfy and discharge the liability for relevant moneys payable on the Cap-It Certificates to such Certificate Holder.

The Issuer shall pay any stamp, issue, registration, documentary, transfer or other taxes, including interest and penalties, payable in respect of the creation, issue and sale of the Cap-It Certificates and the execution or delivery of this Deed Poll.

## 6 ISSUER'S DISCRETION

Where under this Deed Poll provision is made for the exercise of any discretion by the Issuer, any such discretion may be exercised as the Issuer may think fit and all such consents and approvals may be given or exercised with retrospective effect.

## 7 MODIFICATION

This Deed Poll, the Conditions, the Form of Confirmed Certificate Terms, the Cap-It Certificates, any Cap Investment, the Administration Agreement and the Management Services Agreement may be modified without the consent of the Certificate Holders, except to determine any matter relating to an Event of Default pursuant to Condition 19 (*Events of Default*) and provided always that, in relation to any modification of this Deed Poll, the Conditions, the Form of Confirmed Certificate Terms, the Cap-It Certificates, any Cap Investment, the Administration Agreement or the Management Services Agreement, the Issuer shall act reasonably and in good faith and not in a manner which is materially prejudicial (such determination of materiality to be made solely by the Issuer) to the Certificate Holders. Any such modification will be binding on the Certificate Holders and any such modifications will be notified by the Issuer to the Certificate Holders in such manner as it shall solely determine and as soon as practicable thereafter.

## **11 GOVERNING LAW**

This Deed Poll and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English Law.

## **12 JURISDICTION**

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with this Deed Poll or the Cap-It Certificates (including any non-contractual disputes and claims), and accordingly any legal action or proceedings arising out of or in connection with this Deed Poll or the Cap-It Certificates ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is for the benefit of each of the Certificate Holders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

**Schedule 1 - TERMS AND CONDITIONS OF THE CAP-IT CERTIFICATES**

**Cap-It Issuer Limited** (the "**Issuer**") has authorised the creation, issue and sale of Cap-It Certificates by this Deed Poll (as may be modified or supplemented from time to time). Each Cap-It Certificate issued by the Issuer is constituted by, subject to, and has the benefit of the Deed Poll and the following text of the terms and conditions of the Cap-It Certificates (the "**Conditions**").

By entering into a Subscription Agreement and payment of the required Issue Price, a Subscriber wishing to purchase a Cap-It Certificate will become a Certificate Holder and will be entitled to the benefit of, bound by, and deemed to have notice of, all the provisions of the Deed Poll, these Conditions, the Subscription Agreement and the relevant Confirmed Certificate Terms which are specific to each Cap-It Certificate. All capitalised terms that are not defined below in these Conditions have the meanings given to them in the Deed Poll, the Subscription Agreement or the relevant Confirmed Certificate Terms.

The Issue Price paid by the Subscriber of each Cap-It Certificate will be applied solely by the Issuer to finance the Issuer's purchase of a Cap Investment from an Underlying Counterparty and payment of the Issuer Mark-up. **Accordingly, there will be no repayment of the Issue Price paid by the Certificate Holder for its Cap-It Certificate on the Maturity Date of a Cap-It Certificate.** However, each Cap-It Certificate is an instrument creating and acknowledging the Issuer's contingent obligation of indebtedness to pay the Payment Amounts, if any, due in accordance with the Deed Poll, these Conditions and the Confirmed Certificate Terms.

Each Cap-It Certificate issued pursuant to the Deed Poll on the Issue Date specified in the Confirmed Certificate Terms shall correspond to the Issuer's purchase of a specific Cap Investment in an amount equal to the specified Amount Protect.

Pursuant to these Conditions, where a Payment Amount, if any, becomes payable to the Certificate Holder in respect of its Cap-It Certificate by the Issuer, the obligations of the Issuer to pay any such Payment Amount shall be limited to the Proceeds actually received from the Underlying Counterparty pursuant to the underlying Cap Investment relating to the relevant Cap-It Certificate.

Calculations of any Payment Amount due in respect of a Cap-It Certificate (and any other monies due to the Certificate Holder) will be made pursuant to a management services agreement dated 4 January 2019, made between the Issuer and Cap-It Financial Limited (the "**Calculation Agent**") (as may be modified or supplemented from time to time, the "**Management Services Agreement**"). References herein to the Calculation Agent shall include any additional entity or Successor.

The payment of Payment Amounts, if any, due in respect of the Cap-It Certificates will be made (subject to the receipt of the relevant Proceeds from each Underlying Counterparty) pursuant to an administration agreement dated 17 January 2019, made between the Issuer and Charles Russell Speechlys LLP as administrator (the "**Administrator**") (as may be modified or supplemented from time to time, the "**Administration Agreement**") by the Issuer to the Certificate Holder. References herein to the Administrator shall include any additional entity or Successor.

## 1 DEFINITIONS AND INTERPRETATION

The following terms used in these Conditions shall have the following meanings:

**"Amount Protected"** means the face amount protected by a Cap-It Certificate and the underlying Cap Investment;

**"Base Rate"** means The Bank of England Official Bank Rate, as published on The Bank of England website. The **"Weighted Average of the Base Rate"** for each relevant Calculation Period is calculated as the arithmetic mean of the Base Rates in effect for each calendar day in a Calculation Period, determined by the Calculation Agent by (i) multiplying each Base Rate by the number of calendar days such Base Rate is in effect, (ii) determining the sum of such products, and (iii) dividing such sum by the number of calendar days in that Calculation Period. Calculations in respect of the Weighted Average of the Base Rate shall rely upon the Base Rate as published at 5:00 p.m. (UK time) on the relevant Business Day. The Weighted Average of the Base Rate is calculated at the end of each Calculation Period;

**"Benchmark Interest Rate"** means the market interest rate against which the Cap-It Certificate and the underlying Cap Investment are referenced. The Benchmark Interest Rate of the Cap Investments purchased by the Issuer and of the Cap-It Certificates issued by the Issuer will normally be one of either LIBOR or Base Rate;

**"Business Day"** means a day other than a Saturday or Sunday on which commercial banks are open for business in London;

**"Calculation Notice"** means the notice sent to the Certificate Holder by the Issuer specifying a Payment Amount, if any, for a given Payment Date;

**"Calculation Period"** means the period from and including one Reference Date to, but excluding, the next following Reference Date, except that (i) the initial Calculation Period will commence on, and include, the Start Date, and (ii) the final Calculation Period will end on, but exclude, the Maturity Date;

**"Cap-It Certificate"** means a non-negotiable debenture issued by the Issuer that will (i) record the terms under which Payment Amounts, if any, will be made to the Certificate Holder by the Issuer, and (ii) provide evidence of the Cap Investment;

**"Cap Investment"** means an interest rate cap or an instrument having the same cash flows as an interest rate cap (i) purchased by the Issuer from an Underlying Counterparty and which acts as a reference point for the Cap-It Certificate issued to and for the benefit of the Certificate Holder on the terms described herein, (ii) evidenced by a formal confirmation issued by the Underlying Counterparty to the Issuer, and (iii) for each Cap-It Certificate is as set out in the relevant Confirmed Certificate Terms;

**"Cap Investment Cost"** means the amount, adjusted for hedging gains or losses, paid by the Issuer to purchase a Cap Investment from an Underlying Counterparty and specified as such in the Confirmed Certificate Terms. The Issue Price of the associated Cap-It Certificate is the Cap Investment Cost plus the Issuer Mark-up.

**"Cap Rate"** means for each Cap Investment and Cap-It Certificate the level of the Benchmark Interest Rate above which a Payment Amount will be triggered. Should the Benchmark Interest Rate of a Cap-It Certificate in any Calculation Period be set higher than its Cap Rate, then Proceeds will become due in respect of the underlying Cap Investment and a Payment Amount in respect of the Cap-It Certificate will be payable to the relevant Certificate Holder on the relevant Payment Date;

**"Certificate Holder"** means the Subscriber and holder of a Cap-It Certificate in whose name such Cap-It Certificate is for the time being registered in the Certificates Register and Certificate Holder shall be construed accordingly;

**"Certificates Register"** means the register of Cap-It Certificates and their respective Certificate Holders maintained by the Administrator in accordance with the provisions of the Administration Agreement;

**"Early Redemption Amount"** means the net Proceeds, if any, of the relevant Cap Investment less the Redemption Fee payable on the Early Redemption Date to the Certificate Holder. The Early Redemption Amount shall not be lower than zero;

**"Early Redemption Date"** means the Business Day specified as such by the Issuer following a payment of any Proceeds in relation to the relevant Cap Investment pursuant to Condition 12 (*Early Redemption*), or such date designated as such following an Event of Default pursuant to Condition 19 (*Events of Default*);

**"Issue Date"** means each date on which a Cap-It Certificate is issued as provided for in these Conditions and specified as such in the Confirmed Certificate Terms;

**"Issuer Mark-up"** means the amount added by the Issuer to the Cap Investment Cost to arrive at the Issue Price of the Cap-It Certificate. The Issuer Mark-up is 10% of the cost of the Cap Investment, subject to the Minimum Issuer Mark-up, reflecting the costs of the transaction including the fees payable by the Issuer to the Administrator and to the Issuer's other service providers;

**"Issue Price"** means the payment made pursuant to a Subscription Agreement to the Issuer by a Subscriber wishing to purchase a Cap-It Certificate in order to become a Certificate Holder. The Issue Price is calculated as the Cap Investment Cost plus the Issuer Mark-up;

**"Issuer Spread"** means the difference between (i) the Proceeds receivable by the Issuer from the Underlying Counterparty pursuant to the Cap Investment, and (ii) the Payment Amount payable by the Issuer to the Certificate Holder under a Cap-It Certificate on a given Payment Date. The Issuer Spread reflects the difference between the Cap Rate applicable to the Cap-It Certificate and the (lower) Cap Rate applicable to the underlying Cap Investment;

**"LIBOR"** means the London Interbank Offered Rate for pounds sterling deposits, that is the rate at which banks in London can borrow from one another over a stated period of time (the Payment Frequency), as published daily at 11:55 a.m. (UK time) by ICE Benchmark Administration, or by such other entity as may in the future replace ICE Benchmark Administration as the recognised administrator of LIBOR benchmarks. LIBOR is set at the beginning of each relevant Calculation Period for payment at the end of that Calculation Period. In the event of market disruption to LIBOR, including but not limited to the expected transition from LIBOR to SONIA, the Calculation Agent shall determine any fallbacks provisions or any successor to LIBOR in line with that of the relevant Cap Investment;

**"Maturity Date"** means the expiry date of the Cap Investment or the final Reference Date of the Cap-It Certificate;

**"Minimum Issuer Mark-up"** means the minimum amount added by the Issuer to the Cap Investment Cost to arrive at the Issue Price of a Cap-It Certificate. The amount of the Minimum Issuer Mark-up, which may vary according to the Amount Protected, is set out on the Website;

**"Modified Following Business Day Convention"** means a business day convention whereby payment days that fall on a day that is not a Business Day, should fall the first following day that is a Business Day unless that day falls in the next calendar month, in which case that date will be the first preceding day that is a Business Day;

**"Payment Amount"** means the amount payable, if any, under a Cap-It Certificate to a Certificate Holder on a given Payment Date, as determined by the Calculation Agent. The Payment Amount will be zero unless the Benchmark Interest Rate of the Cap-It Certificate in the relevant Calculation Period is set higher than its Cap Rate, in which case the Payment Amount shall be a positive amount payable in pounds sterling to the Certificate Holder and calculated according to the Payment Formula;

**"Payment Date"** means the date on which a Payment Amount, if any, is payable by the Issuer to the Certificate Holder and which shall fall five (5) Business Days after the respective Reference Date, as specified in the relevant Confirmed Certificate Terms;

**"Payment Formula"** means the Payment Amount payable in respect of the Amount Protected under the Cap-It Certificate. If the level of the Benchmark Interest Rate for the Calculation Period, expressed as an annual percentage, is not greater than the Cap Rate, expressed as an annual percentage, then the Payment Amount payable will be zero. However, if the level of the Benchmark Interest Rate for the Calculation Period, expressed as an annual percentage, is higher than the Cap Rate, expressed as an annual percentage, then the Payment Amount payable will be the sum of the level of the Benchmark Interest Rate for the Calculation Period less the Cap Rate then multiplied by (i) the Amount Protected, and (ii) the sum of the number of calendar days in the Calculation Period divided by 365. When expressed as a mathematical formula, the Payment Formula is calculated as follows:

Terms:

P = Payment Amount payable

A = Amount Protected

R = the level of the Benchmark Interest Rate for the Calculation Period, expressed as an annual percentage

C = the Cap Rate, expressed as an annual percentage

d = the number of calendar days in the Calculation Period

Payment Formula:

If  $R \leq C$ , then  $P=0$

If  $R > C$ , then  $P=(R-C) \times A \times d/365$

**"Payment Frequency"** means the time period for which the Benchmark Interest Rate is quoted. Cap-It Certificates will normally have a Payment Frequency of either one (1) month or three (3) months, although Payment Frequencies of six (6) months or twelve (12) months may also be available;

**"pounds sterling", "sterling", "GBP" and "£"** denote the lawful currency of the United Kingdom;

**"Proceeds"** means any sum which is received by the Issuer from an Underlying Counterparty in respect of a Cap Investment;

**"Redemption Fee"** means a fee that the Calculation Agent will calculate for and on behalf of the Issuer in its commercially reasonable discretion on the basis of the Proceeds, if any, of the relevant Cap Investment on an Early Redemption Date. The Redemption Fee compensates the Issuer for the loss of revenue over the remaining unexpired term of the Cap-It Certificate (solely in the event of early redemption pursuant to Condition 12 (*Early Redemption*)) and any other costs and expenses that may have been properly incurred in relation to such early redemption;

**"Redemption Payment Date"** means such date that falls as soon as reasonably practicable on or following the Early Redemption Date, as notified to the Certificate Holder pursuant to Condition 20 (*Notices*) and on which the Early Redemption Amount is payable to the Certificate Holder;

**"Reference Date"** means for each Cap Investment and Cap-It Certificate any date falling after the Start Date and up to and including the Maturity Date on which Proceeds are payable to the Issuer by an Underlying Counterparty in respect of a Cap Investment, subject to adjustment in accordance with the Modified Following Business Day Convention;

**"Start Date"** means the start date of the Cap Investment or Cap-It Certificate, and the first day of the initial Calculation Period. The Start Date cannot be on a day prior to the Issue Date;

**"Sterling Overnight Interbank Average" rate ("SONIA")** means the effective overnight interest rate paid by banks for unsecured transactions in pounds sterling. It is the overnight funding charge for trades not backed by collateral that occur in off-market hours and represents the amount of overnight business in the marketplace. The SONIA rate was established in 1997 and has been administered by the Bank of England since 2016. In 2018, SONIA was reformed and proposed as the alternative benchmark rate to LIBOR;

**"Subscriber"** means a Person wishing to purchase a Cap-It Certificate in order to become a Certificate Holder;

**"Subscription Agreement"** means the Subscription Agreement executed by each Subscriber reflecting its agreement with the Issuer in relation to its purchase of a Cap-It Certificate issued by the Issuer and the terms related thereto;

**"Underlying Counterparty"** means an entity from which the Issuer will purchase Cap Investments; and

**"Website"** means the website of the Issuer ([capit.co.uk](http://capit.co.uk)).

## 2 PURPOSE

The Issue Price paid by the Subscriber of each Cap-It Certificate will be applied solely by the Issuer to finance the Issuer's purchase of a Cap Investment from an Underlying Counterparty and payment of the Issuer Mark-up. **Accordingly, there will be no repayment of the Issue Price paid by the Certificate Holder for its Cap-It Certificate on the Maturity Date of a Cap-It Certificate.** However, each Cap-It Certificate is an instrument creating and acknowledging the Issuer's contingent obligation of indebtedness to pay the Payment Amounts, if any, due in accordance with the Deed Poll, these Conditions and the Confirmed Certificate Terms.

### **3 PAYMENTS**

The Issuer shall not be liable to pay any Payment Amount in respect of the Cap-It Certificates other than as expressly provided herein and in the Deed Poll.

### **4 ACCEPTANCE**

Certificate Holders have notice of, and are deemed to have accepted the Deed Poll, including these Conditions, and the Confirmed Certificate Terms in each case as applicable to them, and have hereby accepted that:

- (xiii) the financial servicing and performance of the terms of the Cap-It Certificates depend upon the performance by the relevant Underlying Counterparty of its obligations under the Cap Investment;
- (xiv) the Issuer does not make any representation or warranty in respect of, or shall at any time have any responsibility for, or, save as otherwise expressly provided in the Deed Poll, liability or obligation in respect of the performance and observance by any Underlying Counterparty of its obligations under the relevant Cap Investment or the recoverability of any Proceeds from any Underlying Counterparty in relation to such Cap Investment;
- (xv) the Issuer shall not at any time have any responsibility for, or obligation or liability in respect of, the condition, financial or otherwise, creditworthiness, affairs, status or nature of any Underlying Counterparty;
- (xvi) the Issuer shall not at any time be liable for any representation or warranty or any act, default or omission of any Underlying Counterparty under or in respect of any Cap Investment; and
- (xvii) the Issuer shall not at any time have any responsibility for, or liability or obligation in respect of, the performance and observance by the Administrator or the Calculation Agent of their respective obligations under the Administration Agreement or the Management Services Agreement as the case may be.

### **5 NO INTEREST, STANDING OR RECOURSE**

No proprietary or other direct interest in the Issuer's rights under or in respect of any Cap Investment exists for the benefit of any Certificate Holder. No Certificate Holder will have any entitlement or standing to enforce the Cap Investment or direct recourse to the Underlying Counterparty. The Issuer shall not be required to take proceedings to enforce payment in respect of any Cap Investment unless it has been indemnified, pre-funded and/or secured by the relevant Certificate Holder to the satisfaction of the Issuer at its sole discretion.

### **6 FORM AND STATUS**

Cap-It Certificates will be issued in registered form and constitute direct, general and unconditional obligations of the Issuer which rank *pari passu* at all times with all other future unsecured obligations of the Issuer, except for those obligations as may be preferred by Law. Payment Amounts, if any, will become due in respect of each Cap-It Certificate at the rate applicable to the underlying Cap Investment as further specified in Condition 11 (*Payment Amounts*).

## **7 ISSUANCE OF CAP-IT CERTIFICATES**

Each Cap-It Certificate shall correspond to the Issuer's purchase of an underlying Cap Investment with monies it receives from the Issue Price. Each Cap-It Certificate will be issued in pounds sterling in an Amount Protected specified in its respective Confirmed Certificate Terms, such Amount Protected being equal to the Amount Protected of the underlying Cap Investment.

## **8 REGISTRATION**

The Administrator will maintain the Certificates Register in accordance with the provisions of the Administration Agreement. No physical Cap-It Certificates will be issued to Certificate Holders in respect of their registered holdings. The Administrator will deliver to Certificate Holders the Confirmed Certificate Terms and duly notify Certificate Holders of the addition of their respective Cap-It Certificates into the Certificates Register. In the event of a substitution pursuant to Condition 22, the Administrator will authenticate the Substituted Cap Investment and will notify the Certificate Holder accordingly.

## **9 TITLE**

The Certificate Holder of each Cap-It Certificate whose name appears in the Certificates Register shall (except as otherwise required by Law) be treated as the absolute owner of such Cap-It Certificate for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on it), and no person shall be liable for so treating such Certificate Holder.

## **10 TRANSFERS**

The Cap-It Certificates are non-transferable save by operation of Law and no application has been or will be made to any stock exchange for the Cap-It Certificates to be listed or dealt in or on.

## **11 PAYMENT AMOUNTS**

- 11.1 Payment Amounts will become due in respect of each Cap-It Certificate based on its Amount Protected from (and including) the relevant Start Date on the Payment Formula. Accordingly, on each relevant Payment Date, the Issuer shall account to each Certificate Holder for the Payment Amount due, if any, under the relevant Cap-It Certificate.
- 11.2 The Issuer will provide calculations performed by the Calculation Agent to each Certificate Holder of the Payment Amount payable, if any, in respect of each Cap-It Certificate in respect of any Payment Date and, as soon as practicable thereafter, cause a record of any such amount so calculated to be made available at its offices and notified to the Administrator. All calculations provided by the Issuer shall (in the absence of manifest error) be final and binding upon all parties.
- 11.3 The payment of Payment Amounts, if any, will be made as set out in Condition 14 (*Payments*) to the Certificate Holders in respect of each Payment Date and will be payable in pounds sterling.

- 11.4 Payment Amounts shall cease to become due in respect of each Cap-It Certificate on the Maturity Date (or Early Redemption Date, if applicable) for the applicable Cap-It Certificate unless payment is improperly withheld or refused by the Issuer by reason of a failure to pay by the relevant Underlying Counterparty or otherwise, in which event any Payment Amount shall continue to accrue (as well after as before judgment) at the rate and in the manner provided in this Condition 11 to the relevant date (as defined in Condition 14 (*Payments*)).

## 12 EARLY REDEMPTION

- 12.1 Should any Certificate Holder wish to redeem a Cap-It Certificate prior to its scheduled Maturity Date, the Issuer may, at its sole discretion, agree to repurchase the Cap-It Certificate, in which case the Redemption Amount shall be determined by the Calculation Agent as the Proceeds, if any, of the sale of the corresponding Cap Investment less the Redemption Fee. In such a case, the Certificate Holder shall be eligible to receive the Early Redemption Amount (which can be zero but cannot be lower than zero).
- 12.2 The Issuer may compulsorily redeem a Cap-It Certificate by not less than sixty (60) calendar days' written notice to the Certificate Holder in the event that the continuance of the Cap-It Certificate is or will be, in the absolute discretion and determination of the Issuer, uneconomic. In such an event, the Certificate Holder will be eligible to receive the Early Redemption Amount.
- 12.3 To the extent that the Issuer is eligible to receive Proceeds following an early redemption, howsoever caused, of any Cap Investment, the Early Redemption Amount, if any, shall be payable by the Issuer on the Early Redemption Date.

## 13 BUY-BACK

The Issuer may at any time and from time to time buy-back any Cap-It Certificate by private agreement or by tender at any price for the purpose of providing liquidity to one or more Certificate Holders. All such Cap-It Certificates bought-back by the Issuer shall be cancelled and may not be reissued or sold.

## 14 PAYMENTS

- 14.1 **Payments to Certificate Holders:** Any Payment Amounts and/or an Early Redemption Amount payable shall be paid by the Issuer to the account of the Certificate Holder denominated in pounds sterling as notified by the relevant Certificate Holder to the Issuer or pursuant to a Calculation Notice subsequently given to the Issuer by the Certificate Holder no later than four (4) Business Days prior to the relevant Payment Date, as applicable. Any amount that becomes payable to the Certificate Holder by the Issuer will be paid within five (5) Business Days of the receipt of the relevant Proceeds from the Underlying Counterparty by the Issuer.
- 14.2 **Payments Subject to Fiscal Laws:** All Payment Amounts and/or Early Redemption Amount payable in respect of the Cap-It Certificates are subject in all cases to any applicable fiscal or other Laws in the place of payment (including, without limitation, requirements applicable in any place of payment to withhold or deduct for or on account of tax). No commissions or expenses shall be charged to the Certificate Holders in respect of such payments.

- 14.3 **Payments on Business Days:** If the due date for payment of any Payment Amount in respect of any Cap-It Certificate is not a Business Day, the Certificate Holder shall not be entitled to payment of the Payment Amount due until the next succeeding Business Day and shall not be entitled to any interest or other payment in respect of any such delay.
- 14.4 **Limited recourse:** In each case where a Payment Amount is stated herein or in the Deed Poll to be payable in respect of the Cap-It Certificate, the obligations of the Issuer to make any such payment shall constitute an obligation only to account to the Certificate Holder on the relevant Payment Date for an amount equivalent to the Proceeds actually received (and identified as such) in relation to the underlying Cap Investment less the Issuer Spread.

## 15 ADMINISTRATOR AND CALCULATION AGENT

- 15.1 In acting under the Administration Agreement or the Management Services Agreement, as the case may be, the Administrator and the Calculation Agent each act as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any Certificate Holder.
- 15.2 The Administrator and its Specified Office is shown on the Confirmed Certificate Terms. The Issuer reserves the right at any time to vary or terminate the appointment of the Administrator and to appoint a Successor and/or additional Administrator; provided, however, that the Issuer shall at all times maintain an Administrator and a Calculation Agent.
- 15.3 Prior written notice shall be given to the Certificate Holders of any change in (i) the Administrator or in its Specified Office, and (ii) the Calculation Agent.

## 16 TAXATION

The Issuer shall not be required to gross up any Payment Amounts payable to the Certificate Holder and shall withhold or deduct from any such Payment Amounts any sums on account of such tax where so required by Law or any such relevant tax authority. Any withholding or deduction shall not constitute an Event of Default under Condition 19 (*Events of Default*).

## 17 MODIFICATION

- 17.1 The Deed Poll, these Conditions, the Confirmed Certificate Terms, the Cap-It Certificates, any Cap Investment, the Administration Agreement and the Management Services Agreement may be modified by the Issuer without the consent of Certificate Holders, provided always that, in relation to any modification or other exercise of its discretion in relation to any such matter, the Issuer shall act reasonably and in good faith. Any such modification will be binding on the Certificate Holders and any such modifications will be notified by the Issuer to the Certificate Holders in such manner as it shall solely determine and as soon as practical thereafter.
- 17.2 No Certificate Holder is entitled to claim from the Issuer any indemnification or payment in respect of any tax consequence of any such modification upon the Certificate Holder.

## 18 PRESCRIPTION

Should the completion of the payment of any Payment Amount due in respect of a Cap-It Certificate to the registered Certificate Holder not be possible for whatever reason, such Payment Amount(s) will be retained by the Issuer for the benefit of the Certificate Holder for a period of five years from the Maturity Date in respect thereof. If after expiry of five years from the Maturity Date of the relevant Cap-It Certificate it has not been possible to pay the Payment Amount(s) to the Certificate Holder, any such Payment Amount(s) will be regarded as unclaimed and shall be forfeited and revert to the Issuer.

## 19 EVENTS OF DEFAULT

The Certificate Holder shall be entitled by notice in writing to the Issuer to require the Issuer to immediately redeem all but not part of its Cap-It Certificate together with any accrued Payment Amounts due (after deduction of tax), if any, up to but excluding the date of redemption on the occurrence of any of the following events (each an "**Event of Default**", such date of redemption constituting the Early Redemption Date and the relevant amount that shall be payable constituting the Early Repayment Amount in each case for the purpose of these Conditions):

- (i) **Non-Payment:** Default occurs when payment is not made for more than fourteen (14) calendar days after the due date of any amount due in respect of any of the Cap-It Certificates, (provided however that, where the Issuer can demonstrate that such failure to pay was due entirely to an error or omission or an administrative or operational nature and such payment is made by the Issuer within twenty (20) Business Days after notice of such failure is given to the Issuer no Event of Default will be deemed to have occurred); or
- (ii) **Winding-Up:** Any order made by any competent court or any resolution passed for the winding-up or dissolution of the Issuer; or
- (iii) **Inability to Pay:** The Issuer stops payment generally (within the meaning of any applicable bankruptcy Law), admits in writing its inability to pay its debts generally as and when they fall due, applies for or consents to or suffers the appointment of an administrator (but not, the Administrator) or receiver of the whole or any part of its undertaking, property, assets or revenues or makes an arrangement or composition with its creditors generally or makes an application to a court of competent jurisdiction for protection from its creditors generally.

## 20 NOTICES

- 20.1 Any notices, consents, requests, demands, offers and other communication required or permitted to be given to a Subscriber or Certificate Holder shall be in writing and shall be deemed to have been duly given, made or served if emailed or posted to such person at their respective address as shown on the Certificates Register and (i) in the case of an email sent to the email address of the addressee, upon transmission to that email address, provided no delivery failure reply, auto-reply or bounce back email is received from that addressee, or (ii) in the case of a posted letter, (unless any relevant part of the postal service is affected by industrial action) on the seventh day after posting; or (iii) when personally delivered to the party entitled thereto at the address of the addressee.

- 20.2 Any notices, consents, requests, demands, offers and other communication received or deemed to be received in accordance with Conditions 20.1 above on a day which is not a Business Day, or after 5pm on any Business Day, shall be deemed to be received on the next following Business Day.

## 21 FURTHER ISSUES

The Issuer may from time to time, without the consent of any Certificate Holder, create and issue further Cap-It Certificates. Such further Cap-It Certificates shall also be constituted by the Deed Poll.

## 22 SUBSTITUTION OF CAP INVESTMENTS

- 22.1 **General right of substitution of Cap Investments:** The Issuer may, without the consent of the Certificate Holder, substitute any other Cap Investment (the "Substituted Cap Investment") in place of an existing Cap Investment (or of any previous substitute under this Condition 22) (the "Existing Cap Investment"), provided that:

- (i) The Substituted Cap Investment matches the Existing Cap Investment in terms of its Amount Protected, Maturity Date, Cap Rate, Benchmark Interest Rate, Calculation Period, Reference Dates and Payment Dates; and
- (ii) the Issuer, at its sole discretion, deems the Substituted Cap Investment to be of equivalent or superior credit quality to the Existing Cap Investment.

- 22.2 **Notice of substitution:** Notice of any substitution pursuant to this Condition 22 shall be given to the Certificate Holder within fourteen (14) calendar days of the substitution of a Cap Investment.

## 23 SUBSTITUTION OF THE ISSUER

- 23.1 **General right of substitution of the Issuer:** The Issuer may, without the consent of Certificate Holders, substitute any other company (the "**Substituted Obligor**") in place of the Issuer (or of any previous substitute under this Condition 23) as the principal debtor of the Cap-It Certificates, provided that a deed is executed or undertaking given by the Substituted Obligor agreeing to be bound by these Conditions and all other documentation relating to the Cap-It Certificates as if the Substituted Obligor had been named in these Conditions as the principal debtor of the Cap-It Certificates in place of the Issuer.

- 23.2 **Related Issuer documentation:** At the request of the Issuer, the Substituted Obligor will execute any or all documentation relating to such substitution including an agreement by the Substituted Obligor that following any substitution pursuant to this Condition 23, the Issuer will be released from any or all of its obligations in relation to the Cap-It Certificates.

- 23.3 **Notice of substitution:** Notice of any substitution pursuant to this Condition 23 shall be given to Certificate Holders within fourteen (14) calendar days of the compliance with such requirements and the execution of any related documentation.

- 23.4 **Completion of substitution:** On completion of the formalities set out above, the Substituted Obligor shall be deemed to be named in these Conditions as the principal debtor in place of the Issuer (or of any previous substitute) and these Conditions shall be deemed to be amended as necessary to give effect to the substitution.

**24 CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999**

No person shall have any right to enforce any term or condition of the Cap-It Certificates under the Contracts (Rights of Third Parties) Act 1999.

**25 GOVERNING LAW**

These Conditions and the Cap-It Certificates and any non-contractual obligations arising out of or in connection with any of them shall be governed by, and construed in accordance with, English Law.

**26 JURISDICTION**

The courts of England have jurisdiction to settle any disputes that may arise out of or in connection with any Cap-It Certificates (including any non-contractual disputes and claims), and accordingly any legal action or proceedings arising out of or in connection with any Cap-It Certificates ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Certificate Holders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

#### IMPORTANT INFORMATION

1. The Administrator confirms that the Cap Investment purchased by the Issuer and corresponding Cap-It Certificate matches this Cap-It Certificate in terms of its Amount Protected, Benchmark Interest Rate, Start Date and Maturity Date, that the Payment Dates of this Cap-It Certificate

shall fall five (5) Business Days after the respective Reference Dates of the underlying Cap Investment and that the Cap Rate of the Cap Investment is lower than the Cap Rate of this Cap-It Certificate.

2. The Certificate Holder recognises that the Cap Investment Cost is lower than the Issue Price of the Cap-It Certificate, the difference reflecting the costs of the transaction including the fees payable to the Administrator and to the Issuer's other service providers.
3. The Certificate Holder recognises the Issuer Spread, i.e. that the Cap Rate of the Cap Investment is lower than the Cap Rate of the Cap-It Certificate, which allows for the future administration costs of both instruments.
4. Subject to the terms of the Deed Poll, no Certificate Holder will have any entitlement or standing to enforce the Cap Investment nor direct recourse to, or any contractual relationship with, the Underlying Counterparty.
5. Please refer to the Deed Poll, the Conditions, the Subscription Agreement and the FAQs section on the Website ([capit.co.uk](https://capit.co.uk)) for full details.
