**IMPORTANT INFORMATION**

1. The Registrar confirms that the Cap Investment purchased by the Issuer and corresponding Cap Certificate matches this Cap Certificate in terms of its Amount Protected, Benchmark Interest Rate, Start Date and Maturity Date, that the Payment Dates of this Cap Certificate shall fall five (5) Business Days after the respective Reference Dates of the underlying Cap Investment and that the Cap Rate of the Cap Investment is lower than the Cap Rate of this Cap Certificate.
2. The Certificate Holder recognises that the Underlying Investment Cost is lower than the Issue Price of the Cap Certificate, the difference reflecting the costs of the transaction including the fees payable to the Registrar and to the Issuer's other service providers.
3. The Certificate Holder recognises the Issuer Spread, i.e. that the Cap Rate of the Cap Investment is lower than the Cap Rate of the Cap Certificate, which allows for the future Registrar costs of both instruments.
4. Subject to the terms of the Deed Poll, no Certificate Holder will have any entitlement or standing to enforce the Cap Investment nor direct recourse to, or any contractual relationship with, the Underlying Counterparty.
5. Please refer to the Deed Poll, the Conditions, the Subscription Agreement and the FAQs section on the Website ([capit.co.uk](http://capit.co.uk)) for full details.
